The St. Clair school system is about to prepare tomorrow's leaders. Our focus is to provide opportunities and challenges that will teach and prepare every student for college or career and adulthood in the ever-changing 21st century. Our job is to teach and prepare every student for success. We are constantly working to adapt and improve best practices in education. Our school system is currently being reassessed for AdvancED accreditation and all of our secondary schools operate under the A+ College Ready AP Initiative. Title IX is a federal law on the prevention of discrimination that The SCCBOE has appointed a principal at each school as the first point of contact for persons with questions or concerns about Title IX issues. While it is increasingly appropriate that we try to solve problems at the local level, bitter people also have the right to lodge a complaint with the United States Department of Education. Instructions for completing such filings can be found on www.ed.gov. The St. Clair County school system does not discriminate in its programs and activities on the basis of race, color, national origin, gender, disability or age, and provides equal access to boy scouts and other designated youth groups. The following person was designated to deal with inquiries relating to non-discrimination policies: Melinda Splawn410 Roy DriveAshville, AL 35953(205) 594-7131Page 2 2
